HOW TO REVIEW

- 1 Open the relevant link in a current browser.
- 2 Spend three to five minutes on the main interaction.
- 3 Treat the architecture, figures and decisions as illustrative.
- 4 Use the screenshots only if access to the live link is restricted.

SUBMISSION NOTE

Use the procurement form as the formal response.

A link or ZIP is supporting material only where buyer instructions allow it.

The enterprise view is conceptual and does not claim implemented controls.
